

PREPARE FOR YOUR FUTURE

4 REASONS WHY YOU NEED TO COMPLETE THE FAFSA

- 1** **Expand your options**
The FAFSA opens up educational opportunities without requiring a commitment. As you consider your future, you will have other options available to you.
- 2** **Avoid missing out on money for education**
You will find out if you qualify for need-based federal financial aid and meet the basic requirements for federal student loans and other types of financial aid.
- 3** **Qualify for other types of financial aid**
The FAFSA is a basic requirement for many types of financial aid, including federal and state programs, college or university funding, and even some private scholarships.
- 4** **Complete it easily and quickly**
Completing the FAFSA online is much easier than filling out a paper form. With skip logic and online help, it's easy to find out what financial aid you could receive.
