

Winning Scholarship Strategies

How to be successful in your scholarship search and application process

PLAN

- Know the cost of college
- Develop a goal based on cost
- Consider your talents/traits
- Create an email address for scholarship search/applications

RESEARCH

- Look for local, college, state, and employer scholarships
- Check with professional associations
- Use Internet search engines

APPLY

- Write the essay, consider the topic, and take time to edit
- Revise, review, and proof
- Keep copies of applications

TRACK

- Use the Mapping Your Future scholarship tracking sheet*
- Know the deadlines
- Understand requirements

*The scholarship tracking sheet is online at <https://bit.ly/TrackScholarships> or use the QR code above.
