It's easy to set up your account and get your FSA ID:

1. Go to [StudentAid.gov](https://studentaid.gov).
2. Click on "Create Account."
3. Complete the form and set up multi-factor authentication using your personal email and/or mobile phone.

TIPS

- Set up your FSA ID soon so you'll be ready when the 2024-25 FAFSA is available.
- Have your Social Security card with you and make sure you enter your name and Social Security number accurately when you create your FSA ID.
- Both the student and at least one parent will need an FSA ID.
- The student and parent cannot share an FSA ID nor can they share an email address or phone number to create one.
- The student and parent each should use a personal email address to create the account (not a school or work email address).
- Check the college's website for their priority FAFSA deadline.
